FINISHES

Clean Contemporary to Beautifully Artistic

Masterpiece

The *Masterpiece* canvas finish is our finest for wall portraiture. This portrait will resemble a fine painting on canvas with the likeness only a photograph can capture. The *Masterpiece* portrait is bonded to fine art canvas and stretcher frame or museum board. A crystalline acrylic finish is applied to the portrait to preserve and protect over the many years you will enjoy it.

Can frame WITHOUT GLASS.

Classic

The *Classic* portrait is our most popular finish. It is bonded to museum board for permanence. Retouching, custom printing and delicate artwork reveal the inherent brilliance of the portrait. A clear UV protective lacquer is also applied.

Can frame WITHOUT GLASS.

Gallery

The *Gallery* portrait is mounted to sturdy art board to help protect the photograph. Your portrait is ready for framing under glass. Includes retouching. NO UV lacquer applied.

Frame UNDER GLASS.

Contemporary

The *Contemporary* portrait is moderately priced, is Unmounted and Not retouched. It comes in a folder.

Frame UNDER GLASS.

Retouching & Enhancement

All portraits (except Contemporary finish & previews) receive basic retouching. This includes removal of minor blemishes, softening circles under eyes, smile lines and enhancement of the eyes. Removal of heavy blemishes may incur additional charge. **Removal of sunburn or suntan lines is an additional cost based on the degree of retouching.** We can give you an estimate.

LIGHT: (\$7 ea); MODERATE: (\$15 ea); EXTENSIVE: (\$25 ea)

\$15 extra per pose for retouching Contemporary finish.
